I. The author(s) hereby warrant(s) that the manuscript named above, that has been submitted to the *Hospital Pharmacology – International Multidisciplinary Journal* (HOPH) for publication, is an original work, has not been published before, and is not being considered for publication elsewhere (in any language) in its final form either in print or online.

II. The author(s) affirm(s) that has/have participated sufficiently in the conception and design of this work, data analysis (wherever applicable) and interpretation, as well as the writing or revision of the manuscript, to take public responsibility for the validity, integrity and objectivity of the entire work.

III. The author(s) also warrant(s) that this manuscript contains no material of an obscene, indecent, libelous or otherwise unlawful nature and that to the best of the author's(s') knowledge this manuscript does not infringe the rights of any person, entity or institution.

IV. The author(s) warrant(s) that no treatment, medication, dosage, prescription, procedure, instrumentation, medical device, or other medical advice provided in the manuscript will be injurious to a person or inconsistent with the applicable standards and practices established by the appropriate medical community or governmental regulatory authority. All experiments described in the manuscript were performed with the approval of the appropriate institutional and governmental authorities.

In addition, in consideration of publication of the above named manuscript (the Work) in HOPH:

1) The author(s) hereby grant(s) to the Serbian Medical Society, Belgrade, Serbia (the Publisher) for the full term of copyright and any extensions thereto the irrevocable nonexclusive license to (a) publish, reproduce, distribute, transmit, display, and store the Work in all forms, now known or later developed; (b) to translate the Work into other languages, create adaptations, summaries or extracts of the Work or other derivative works based on the Work and exercise all of the rights set forth in (a) above in such translations, adaptations, summaries, extracts and derivative works; and (c) to license others to do any or all of the above.

2) The author(s) retain(s) the rights to any intellectual property developed by the author(s) and presented in the Work, including, without limitation, any models, theories, or conclusions formulated by the author(s).

3) If the Work contains any material protected by the copyright of others (e.g. tables or images), the author(s) must deliver a written permission from the copyright owner(s) to reproduce such material in the Work.

4) The author(s) understand(s) that no royalties or remuneration will be paid by the Publisher to the author(s) for the Work. The author(s) acknowledge(s) the Work is being provided on a volunteer basis for the professional recognition obtained by the Publisher.

5) The author(s) is/are responsible for the content, originality and integrity of the Work, and will indemnify and defend the Publisher against any claim, demand or recovery against the Publisher by reason of any violation of any proprietary right of copyright, or because of any libelous or scandalous matter contained in the Work.

6) The Publisher will have the right to edit the Work for the original submission and for any revision, provided that the meaning of the text is not materially altered.

7) As HOPH is an open-access online publication, the author(s) understand(s) that the Work, if accepted for publication, will be available on the Internet (HOPH website) and that anyone has the right to download and display the Work freely as long as it is for nonprofit purposes, and the original author(s) is/are given credit.

8) In the event that the Publisher decides not to publish the Work, this license shall be terminated and all rights revert to the author(s).

COMPETING FINANCIAL INTERESTS

The author(s) confirm(s) that any interest that may constitute a conflict of interest regarding the Work, including, but not limited to, commercial affiliations, stock or equity interests, and patent-licensing arrangements, has been disclosed.
